# Travel arrangements

## By plane:

Montpellier Méditerrannée international airport is located 20 minutes from the city center of Montpellier. It serves 26 direct destinations in Europe, Africa and Asia.

For more information, visit: [https://montpellier-airport.com/](https://montpellier-airport.com/)

Airports in Paris, Toulouse or Marseille serve many more destinations and are well connected to Montpellier by train and by bus.

**From the airport to the city center**

**Airport shuttle bus N°620** serves Place de France - train station Montpellier Sud de France and the Airport Montpellier Méditerrannée. The travel takes 25 min. From Place de France take tram 1 (direction Mosson) to go to the city center.

Single ticket: 1,60€ is sold on the bus.

## By train

Arriving to Montpellier by train from Paris will take only 3 hours (by high-speed train- TGV), from Lyon 1h 45 and from Barcelona 2h30. Montpellier has two train stations: Montpellier Saint Roch in the city center and Montpellier Sud de France outside the city.

For further information and ticket reservation, see [https://en.oui.sncf/en/](https://en.oui.sncf/en/)

**From the train station to the city center**

**Airport shuttle bus N°620** see By plane

**Shuttle bus TaM** connects the bus stop Place de France to the train station Montpellier Sud de France (stop Cambacérès).

This ride takes around 15 min and you can use your tram ticket for the shuttle.

From Place de France take tram 1 (direction Mosson) to go to the city center.

## By bus

Ouibus and Flixbus are companies which offer affordable bus transportation and serve many European countries.

**From the station to the city center**

Ouibus stop Odysseum > Tram 1 (direction Mosson)

Flixbus stop Sabines > Tram 2

Getting around the UM sites

The history of the University of Montpellier begins in 1220 when the Faculty of Medicine was founded. Since then and for 800 years now, the University of Montpellier has gained an international acknowledgement in a variety of scientific areas such as: Biology, Chemistry, Ecology, Medicine, Technology, Law or Management sciences ...

The university itself is not located on one site. Its 8 faculties, 4 institutes¹ and 2 schools are placed in different locations around the city-center of Montpellier. These sites are:

- Campus Triolet (Faculty of Sciences, Polytech, IAE)
- Site Richter (Faculty of Economics, MOMA, IPAG)
- Faculty of Pharmacy
- Faculty of Law and Political Sciences
- Faculty of Sports (STAPS)
- Faculty of Dentistry
- Faculty of Medicine

WiFi accessible with your Eduroam network credentials

¹ Plus one institute located in Béziers and one in Nîmes.

Scientific heritage sites at the University of Montpellier

Botany
The oldest Botany garden in France founded by Henry IV in 1593 is at the UM. The garden represent the 2nd largest French herbarium with 3.5 million of samples. Visit: from Tuesday to Sunday 12h-18h

Pharmacy
Droguier from the 16th century is the second biggest in France and brings together a rare collection of more than 10,000 samples mostly plants. Don't miss to explore the Pharmacy Museum which tells the story of pharmacy in all its forms.

Mineralogy
When it was founded in 1809, the Faculty of sciences was the only university, besides the faculty in Paris, to have a chair in Mineralogy. Today the collection has 3,000 samples.

Ethnology
Among 120 objects from Kanak, Papou and Maori cultures you will also find the fragments of Egyptian mummies.

Palaeontology
Among the 1.5 million of specimens this rich collection contains material from excavations conducted in the Occitany region.

Zoology
UM zoology collection is made of 40,000 items of stuffed animals or preserved in a different way.

Medicine
Faculty of Medicine is the oldest faculty of the university and the oldest faculty of Medicine in Europe. It hosts a rich collection of the Anatomy Museum and the Atger museum's exceptional collection of drawings and prints from the 17th and 18th century.

Foundation
Founded in 1220, the University of Montpellier was one of the first universities to be created in this part of Europe. Scientific and university city since the Middle Ages, Montpellier, today possesses a prestigious historical heritage much of which is classified as historical monuments.
