Development of University Engagement in Diversity and Intercultural Activities	<b>Amro Al-Said Ahmad, Philadelphia University, Jordan</b>

## DETAILED PROGRAM

### 10.00 am **Welcome speeches, presentation of the speakers, the agenda and the interactivity of the webinar**

- Nadia Lagarde, International Relations Vice-Chancellor, University of Montpellier, France
- Nada Trunk, project coordinator, EMUNI, Slovenia

### 10.15 am **[Key Speaker] Methodology : Promoting participatory processes with young people within the transgenerational, transectorial and intercultural R&I approach**

Sonia Abdelhak is the Head of Research Laboratory at the Biomedical Genomics and Oncogenetics, Institut Pasteur de Tunis. Sonia does research in Genetics, Biotechnology and Molecular Biology. Their current project is 'Ethical issues related to genetics and genomics studies'. She has been nominated among the 10 experts for Research and Innovation by UfM (Union for Mediterranean), whose mission is to enhance regional cooperation, in order to address the three strategic priorities of the Mediterranean Region: health, renewable energies and climate change.

Hichem Ben Hassine is at the origin of the project on science and society and he is the Head of Unit "Communication, Science and Society" at Institut Pasteur de Tunis. His great scientific experience will give a valuable contribution in the reflection on transgenerational collaboration.

### 10.30 am **Living and learning the engagement as cooperation, solidarity and dialogue among MED Universities / the active and positive participation of students in the innovative realization of e-learning paths.**

Sabrina Brillante is an active staff member of Euro Mediterranean Center for Lifelong Learning of Pegaso Online University, and she is the Secretary of Pegaso International Rector in Malta. She is involved in research activities and international projects connected to internationalisation processes and several distance education-learning paths.

Matilde Minieri, after having graduated with special mention in the Master degree in International Relations and having been a researcher at the Parliamentary Assembly of the Mediterranean, currently holds the position of Staff Member and assistant of research at Pegaso Online University.

### 10.45 am **Intrinsic Campus Diversity in Lebanese HEIs**

Rony Darazi, Vice Rector for Cooperation and Internationalization, Delegate to the Ministry of Education and Higher Education, Professor at the Faculty of Engineering, Université Antonine, Lebanon

**11.00 am Diversity effects on students outcomes**

Rachid Daoudi is a Project Officer with the Social Sciences Research Institute at Al Akhawayn University in Ifrane, Morocco. His main research is about student group dynamics and student motivation. Also, he has been working as Student clubs coordinator for 10 years with the Student Activities Office at Al Akhawayn University

**11.15 am Development of University Engagement in Diversity and Intercultural Activities**

Amro Al-Said Ahmad, is an assistant professor at the Software Engineering Department (Faculty of Information Technology) at Philadelphia University in Jordan. His main research interest is focused on technical scalability of cloud-based software services and delivery of such services from a technical perspective. Besides being a faculty member at PU, he is currently a collaborative researcher on Cloud Computing with the School of Computing and Mathematics at Philadelphia University

**11.30 am Questions and answers session**

All questions asked during the presentations are answered in this session. The questions that can't be answered during the session will be dealt with afterwards by the speakers and forwarded to the participants.

**12.00 am End of the webinar**
